...

I think the weather is so nice today.

It feels so nice.

Could I

Could I sit here for a little longer ??

Please...
Just for a little while longer.

...!!

I told you not to come out -

It's over

There is no more reason

For me to be here anymore

Only those who closed the door shall open it once again

Only those who veiled it shall unveil it

This was the expected outcome.
This was expected no matter how much I tried to run away

I need to... inform him.

An orphanage here...?
Interesting

SFX : Startle

I've been here for quite a long time but I've never noticed an orphanage. It's as if it showed up out of nowhere.

....

Is that all you have to say ?

Haha ...
There is no need to feel threatened. I am simply looking for a child.

Allow me to assist you.

In return, simply send children to me.

Show me every children in this orphanage.

Gender does not matter. How they look does not matter.

I am willing to pay your price as long as I am able to find a child of my taste.

....

I think you are misunderstanding this place. This is an ordinary orphanage.

Please stop your nonsense.

....

Interesting

It appears to be fairly big.. Yet, it feels empty.

As if ... it's no longer needed.

If an orphanage is empty, that is good news.

Since no child may be said..

It would appear I may have angered you

....

My apologies and excuse me.

We shall meet again if the fate gives us a chance.

The woman did not panic at all despite of my appearance..

Besides, she was running a place which I, the Lord of March, had no idea of ?

크하하하하

Which means someone is scheming something ! I've been waiting for this day !

SFX : Kuhahahaha

..!!

Can't it horrible ?
There is nothing inside, yet it moves like something is in there
She told me that I was cursed
She told me that I was cursed because I was a bad boy
She told me people would be disgusted to see me. She told me to stay inside as much as possible.
If you hadn't came along, I would be in my dark room right now. Nobody wants to see me
You are a witch. That's probably why you wanted to buy me.
